DES FN 2: Remove section 4.

DES FN 3: Replace the term "check" with the alternative term "payment" to allow for additional types of payments.

DES FN 4: Comply with current laws, specifically add a section (G) for a claimant quit due to a permanent change of station order of a military spouse.

DES FN 5: Replace "facsimile" with "electronic."

DES FN 6: Expand the methods for applying for the electronic transfer of benefits.

DES FN 7: The word "writing" should be removed as the employing unit can notify the division electronically now

DES FN 8: This section needs updated to comport with modern practices and electronic systems

DES FN 9: Update to allow payment online

DES FN 10: Update to comport with modern technology used

DES FN 11: Allow for telephonic requests for information.

DES FN 12: St. Louis Un. Legal Clinic filed a comment on 8 CSR 10-5.015(6)2(B), asserting that it is a denial of the party's right to counsel for the rule to prohibit a posponement because of a conflict if the appeal was set and the conflict existed prior to retention of the representative. The comment is under review at this time. The section will be withdrawn or modified.

	eferences to RSMo 1986 are dat	, ,								/ ++	

MCHR FN7: Some terminology is dated.

MISSOURI ASSISTIVE TECHNOLOGY ADVISORY COUNCIL

MCHR FN2: References to RSMo 1986 are dated.

MCHR FN3: References to other material is dated. There is some consideration to referencing federal guidelines in 29 CFR § 1607.

MCHR FN4: References to RSMo 1986 and name of the law are dated. Remove first sentence in (6) because it is obsolete.

MCHR FN5: References to RSMo 1986, name of the law and the term "handicap" are dated. Federal ADA and ADAAA regulations have increased "major life activities."

MCHR FN6: Subsection (2)(B) conflicts with federal law because only a medical examination related to job functions may be required after tendering a conditional job offer. 29 CFR § 1630.14.
